International orders - We have to do it the old fashioned way with money orders.

Please email me for the total, as postal rates vary.

I recommend Western Union International US postal money orders from Australia, NZ or Europe.

The Best Lee Enfield Site on the Internet

I frequently get asked if there is a really good Lee Enfield forum. Yes, there is - Parallax Bills. It's one of the longest running boards, visited by people that actually shoot and collect these rifles. If you want to talk to others that share your love of Lee Enfields, learn some history and useful information or just want to hang out with others that share your interests, visit Parallax Bill's Lee Enfield board.
